

Dear all of the Infogroup and the Projectgroup,

It is 3 weeks ago since last newsletter 15.

I informed you that:

“ Our Foundation (Stichting) was legally established on 14 March 2013.

Three familymembers of three different victims of the Amsterdam Dam massacre of 7 May 1945 form the board (bestuur). These are; Rob Doves, Johan Wieland and Arthur Rebattu.

The official name: “Stichting memorial 2015 voor Damslachtoffers 7 mei 1945”

Adress: Eleanor Rooseveltlaan 182, 1183CN Amstelveen, Netherlands

Bank account: STG MEMORIAL 2015 VOOR DAMSLACHTOFFERS 7 MEI 1945

ING accountnr: 8136685

BIC: INGBNL2A.

IBAN: NL10INGB0008136685”

The three boardmembers have invested over 800 euro’s themselves all together till now.

We hope(d) for financial support from the readers of this Newsletter and yes we got a contribution of one reader out of the 36 readers (Quant familymember in the US) of \$500 that equals around 360 euro’s.

I had to make time to think about this. Must I be glad, must I be disappointed?

Yes, me and the other boardmembers are disappointed.

Any amount of euro’s (5, 10 ore more) shows that supporters are willing to help us when it is really necessary.

Please unsubscribe this Newsletter if you feel in any way harrassed by this opinion.

Sorry, but I was not encouragedby this to add more information here above that was revealed on the Facebookpage and projectgroup Dropbox database.

With greetings,

Arthur Rebattu
